

Understanding Domestic Violence

About the workshop

This one-day workshop is suitable for professionals and individuals who wish to develop an understanding of domestic violence.

The workshop is delivered in an experiential style and will give the participant an in depth understanding of the issue.

Delivery method

The workshop is delivered by professionals with a high-level of experience in working with clients with this issue, and will draw upon their own expertise and working practice to complement the taught elements of the programme.

Learning objectives

On completion of this workshop the participant will:

- Understand the surrounding issues of domestic violence and the effects it may have on women.
- Understand the cycle of violence and why women don't disclose.
- Understand why women may not leave their abusive environment.
